1. Framework

This document is an operational guide to compile the Full Grant Letter of Intent (LOI) for the participation to the “2018 AriSLA Call for Research Projects” launched by AriSLA Foundation. Before starting please read thoroughly the following documents published on the AriSLA website.

1. 2018 AriSLA Call for Research Projects

The document supplies the framework and operative information about the Call, the objectives and themes, eligibility and selection criteria.

2. AriSLA Foundation Privacy Policy

The document contains all information about policies of personal data protection and their use according to the Italian Law (art. 13 of Law decree n. 196/2003); ([La Policy AriSLA sulla Privacy](#))

3. AriSLA Foundation Intellectual Property Rights Policy

The document contains all information about the protection of intellectual properties that could arise during the research activities financed by AriSLA Foundation ([La Policy AriSLA sulla proprietà intellettuale.pdf](#)).

4. AriSLA Foundation Dissemination Policy

The document contains detailed information about results dissemination and communication of the activities performed during AriSLA Foundation financing period ([La Policy AriSLA sulla comunicazione e disseminazione.pdf](#)).

5. AriSLA Foundation Projects Adoption Policy

The document contains all information about the possibility that a project financed by AriSLA Foundation could be adopted by other funders (enterprises, associations, private people, public bodies, other foundations) ([La Policy AriSLA su adozione progetto.pdf](#)).

All Policies have to be signed with the contract if the submitted Application will be financed.

2. How to present an Application

2.1 Online Registration

Application Forms for “2018 AriSLA Call for Research Projects” must be completed online at the following URL:
<http://proposals.arisla.org>

Applicants should pay careful attention to the instructions, because applications failing to meet the requirements will be rejected. An accurate application will facilitate the review process.

If you are not already registered, please create your account and click on “Create account”. You will then receive an e-mail confirming your Username and assigned Password giving you access to the Application forms (hereby Form).

It is mandatory that the name entered in the Registration Form corresponds to the Principal Investigator’s (PI), since all communications will be sent to the registered email. This is the only account that allows you to modify the proposal, therefore all partners must log in using the PI’s Username and password.

Please note that only one user at a time is allowed to enter information in the proposal.

Once you have logged in, the system will ask you to change your Password.

If you are already a registered user, please enter your Username and Password.

If you have forgotten your Password, please click on “Forgot your Password”: enter your Username and you will then receive an automatic e-mail with your new password. Once you have logged in, the system will ask you to change your Password.

If you have forgotten both Username and Password, please contact AriSLA Scientific Office at bandi@arisla.org.
Please do not enter multiple registrations with the same name.

2.2 General instructions for completing the LOI

Use English language only. Since an International Scientific Committee is in charge to perform the evaluation of the LOIs, only Forms filled in English can be submitted/considered.

The LOI must be only electronically submitted once completed in all its sections.

Please note that in order to submit the Letter of Intent you must attach in the signature section the scan (in PDF format) of the General Information page signed by the Principal Investigator and bearing signature and stamp of the Legal Representative of the Research Institute or by his delegate. If the project will be funded, the contract has to be completed with the original page signed.

Please remember to click the “Save changes” button in order to save the data inserted in the Form.

The Application Form is organized into sections, which can be completed in any order.

You do not need to complete your Application Form in one session: remember to click on the **“Save changes” button to save your data before leaving the page.**

You can download a PDF of your Application at any time by clicking on the link **Download Proposal** at the upper right of the page.

In the submit session you can check the status of each Application section. When you are completely satisfied with your Application click on the "**Submit**" button. Please verify that:

- you have completed all sessions (mandatory to be allowed to submit your Application);
- you have attached the signed General Information page;
- you have downloaded the project PDF and verified that all sessions are correctly filled.

Once you confirm by pressing the button "**Confirm Submit**", the Form will then be formally closed by the system. An automatic message will appear to you acknowledging that you have completed your Application. You can download the pdf of the submitted Application any time by logging in at <http://proposals.arisla.org>

As reported in the "2018 AriSLA Call for Research Projects", the Applications **must be submitted within the deadline (1.00 pm, April 20th 2018)**.

Applications not completed in all the following sessions cannot be submitted:

- *General Information;*
- *Project description;*
- *Applicant;*
- *Privacy Statement;*
- *Signature.*

If the PI and/or the Legal Representative of the Research Institute will not authorize AriSLA Foundation to use personal data as required in the section Privacy Statement, the Application cannot be submitted.

Once you have submitted the LOI you are no longer able to modify your Application. Please note that you are responsible for the contents and quality of your Application in its final version.

2.3 How to fill the Letter of Intent
